Since 1999, JD has operated as an innovative maker of kitchen and bathroom fixtures in India. JD created a variety of earthy beauty with artistic forms after drawing inspiration from the essential element of water. Our items are made with an alluring inventive spirit and have fantastical aesthetics. By providing a variety of useful goods for your kitchens and bathrooms, we take great pleasure in our culture, traditions, and beliefs.

Select from a choice of distinctive, dependable, and long-lasting JD goods. Every product is designed to provide the highest possible degree of customer happiness while also offering the best possible functionality and performance. JD bathroom accessories also update your bathroom, adding a luxurious touch to your home while retaining a sleek, minimalist appearance.

Our Products

Explore the world of modern, luxurious, and cutting-edge bathroom fixtures from India's top sanitary ware business. Only a few clicks can get you the bathroom of your dreams. Our products include beautiful designs, simple operation, and the highest quality. They are a wonderful fusion of form and arrangement. We constantly ensure that our goods meet the highest standards of consumer quality.

ABOUT US

WHO WE ARE

Since 1989, we have been a resourceful participant in the faucet market. The goal of the business is to establish enduring connections with customers all over the world by providing top-notch products and first-rate after-sales care that meet their constantly changing demands.

These Bathfittings, Bathwares, and Accessories, which are sold under the brand name "JD," are created using the concepts of Motion-dynamics, a synthesis of engineering and customer-oriented designs that results in exceptional performance over an extended period of time.

PRODUCT PORTFOLIO

In addition to single lever mixers, quarter turn and conventional taps, health faucets, flush valves/cocks, auto shut taps, and bath accessories, we also provide a variety of utility goods for kitchens and bathrooms. Together with that, we also provide a variety of unique goods, such Lab Cocks, Water-Saving Sensor Faucets, Elbow Action Taps, Foot Operated Taps, Two-Way Taps, etc.

Also, these bathroom fixtures are wonderfully complemented by our magnificent bathroom accessories, such as grab bars, glass shelves, soap trays, tumbler & brush holders, robe hooks, and towel rails/racks.

QUALITY STANDARDS

In the rapidly evolving world of global commerce and business, our products fulfil international quality requirements and adhere to BSP plumbing standards utilized globally.

The progressive quality control tests done by technically educated specialists ensure that the finished products are of the highest quality. Some of the tests that confirm the dependability of our goods are material testing, dimensional checks, hydraulic tests, flow rate tests, nickel & chrome adhesion tests, and spindle assembly life span tests.

DISTRIBUTION NETWORK

we have a very happy and devoted clientele that extends beyond our national borders, meaning that our items are well-liked across the world due to their reliability in terms of quality & appearance. Via a vast network of committed dealers and distributors, we reach our consumers.

In addition to the millions of households in all Indian states and union territories, the list of JD's extremely satisfied clients also includes owners of luxury hotels, resorts, multi-story apartments, commercial & industrial complexes, educational institutions, hospitals, married accommodation projects of the army (MAP), group-housing societies, etc.

An skilled marketing staff that is exclusively focused on offering assistance and serving appreciated consumers is ably supporting this network.

AFTER SALES SERVICE

We have a highly educated and devoted staff of Service Engineers that serve our valued clients with after-sales support. To guarantee that all complaints are addressed on time, we have delegated well-equipped service engineers to various locations who respond to consumers on a single call. In order to create trust in clients, the firm frequently arranges unique service camps. You will learn the skill of making gorgeous bathrooms with JD. We go beyond acquiring consumers to develop mutually beneficial partnerships.

Therefore, come discover the realm of ideas and craftsmanship, where you will be treated to unrivalled performance and captivating designs.

GreenAdvantage

The sensible know that there's a definite need to handle water responsibly. That's why we are constantly innovating and developing new sustainable technologies to treat this precious resource with utmost care and minimize its consumption. The marvellous engineering makes our high-performance beauties great water-savers too. JD is committed to green manufacturing processes and help people use water in more eco-friendly manner without sacrificing the comfort and convenience of the user experience or the durability and life span of our products.
